Our vision for Coogee Primary School is to be a school:

- dedicated to providing a high-quality education in a safe, supportive and inclusive environment.
- that inspires a long-life love of learning, empowering students to become valuable contributors to the world around them.

Aims of Coogee Kindergarten

Our Kindy program aims to:

- provide a creative, stimulating and challenging environment in which the child can develop totally, that is, socially/emotionally/physically (gross and fine motor skills) and intellectually;
- be aware of the individual child and his/her needs and plan a program according to those needs;
- develop an environment in which the child feels secure and cared for;

- encourage parents to participate in order to learn and understand more about children's play and behaviour.

Staff Contact

If any parent has a concern regarding their child, or the program, please feel free to address the matter with their teacher either before school (brief, informal concerns) or make an appointment to see the teacher at a mutually acceptable time.

There will be a parent information meeting early in Term 1, 2026.

Delivery and collection of children

Children must be dropped off and picked up by an adult.

If someone other than the child's caregivers are collecting them, please advise the teacher of the change when they are dropped off in the morning. Fill out the necessary information in the Child Collection Book located at the Kindy entrance. If a Childcare Centre (other than Camp Australia) are picking up your child, we will require their contact phone number.

Kindy will open the door at 8.35am - Kindy finishes at 2.55pm. IF YOUR CHILD IS LATE, YOU MUST REPORT TO THE SCHOOL OFFICE WITH YOUR CHILD BEFORE ARRIVING TO CLASS AND RECEIVE A 'WELCOME SLIP'. Please endeavour to pick up your child up at the correct time as young children often get distressed if they feel they are being left. Please contact us if you are going to be more than 10 minutes late.

Note: Children are NOT permitted to play on or with the equipment in the playground before and after school.

Car Park

Please drive slowly and carefully in our carpark. Please help the whole school community by leaving the car park promptly by turning left onto Mayor Road after you have collected your child.

PARKING IS NOT PERMITTED IN THE STAFF CARPARK

School Voluntary Contributions

Money Collection

Any monies for incursions/excursions, P&C fund raising, and book club should be placed in the 'Drop Box' in the front office. EFT is our preferred method of payment but if you must pay cash, please put the money in a ***sealed envelope with your child's name***, the purpose for the money and total money included.

SAVE THESE ACCOUNT DETAILS FOR EFT PAYMENTS

Most payments are made to the Coogee Primary School - School Account. Please always check the specified account details, if payment needs to be made to the P&C we will emphasise this in correspondence. Always use the students **SURNAME** as a reference when making any payment to the account.

Personal Information

Please ensure that the information on admission and medical forms are kept up to date. This enables us to contact you if your child becomes sick. Please note: It is the

parents' responsibility if medication needs to be administered. In order for us to take the very best care of your child, we need to know about allergies as soon as possible.

What to wear

The wearing of uniforms and bucket hats is enforced as it adds much to the tone and spirit of the school.

Acceptance of enrolment at a school assumes an agreement between the school, the parent/guardian and the enrolling student, and that the student will dress within the guidelines of the school dress code.

School t-shirts, skirts, shorts, dresses, track suits and hats, are ordered online through Uniform Concepts (order forms and size samples available at the front office). Alternatively, you may visit the store at 26 Solomon Road, Jandakot. Please note faction shirts are NOT required for kindy children.

Labelling/naming each article of clothing and belongings is essential to avoid an accumulation of "Lost Property". Unclaimed lost property is recycled on a regular basis.

School Bag

An open reusable shopping bag would be best suited for a child at kindy over a backpack (see sample image below). This can be any colour or style you choose. The bag below is available to purchase from the school office for \$5.

A change of clothes kept in their school bag is handy in case of accidents (please provide underwear and socks as well).

You can also advise of your child's attendance etc. You will be invited via email to join these platforms after your child has commenced school at Coogee Primary. You will need to download the Compass School Manager app to use on your mobile phone.

Late arrivals or departing school

If your child arrives after the siren, you must report to the school office with your child before arriving to class and receive a 'Welcome Slip'.

If arriving back from an appointment, the student must also be signed back into the school through the office. A 'Welcome Slip' will be given to notify staff that the student is signed back in.

Absentee

If your child is absent, you can advise school via Compass App, CONNECT, email coogee.ps@education.wa.edu.au¹ or phone 6595 4900. If your child has an unexplained absence from school, you will receive link via text message to respond to.

How you can help your child

- Read to your child as often as possible. Story reading to a child every day encourages success with early literacy.
- Ensure that your child has adequate sleep and arrives at school feeling fit and well. It's no fun being away from your Parent/Carer when you're feeling sick. The best place for an unwell child is at home.
- Show an interest in what they do at Kindy - ask questions e.g. what was the best part of today?
- Discuss with us, any information which will help us to understand your child.
- Provide healthy food and drink.
- Praise their efforts.
- Listen to your child's ideas and comments.

Junk Materials

Allow us to recycle your rubbish. Please save:

- Bubble Wrap
- Dress-up clothes
- Wool
- Good quality scrap paper
- Ribbon

- Good quality spare clothes ie shorts/tops
- Cardboard cylinders (not toilet rolls)
- Buttons
- Wrapping paper
- Old greeting cards
- Material
- Used CDs & DVDs
- Front & Back of Cereal Boxes If you think we can use it, send it in! These materials are used for modelling, construction artwork and lots more; so, if you're on the way to the rubbish bin, please think of us!

Kindergarten

I wondered and I wondered
When I could go to school.
They said I wasn't old enough
According to the rules.

I waited and I waited.
I was as patient as could be.
And now I'm all excited . . .
It's time for school for me!
